

The Spring Flower

Created by

You will need the following:

- Three different colors of yarn (4ply)
- Size 3mm hook
- Yarn needle
- Scissors

Stitches and abbreviations used in this pattern US: (* will be explained)

sl st – slipstitch

ch – chain

hdc – half double crochet

dc – double crochet

Notes on the Pattern

- I've used a cotton 4ply yarn (Scheepjes Catona) and a 3mm hook but you can crochet with any hooksize and yarn depending on what you are after.
- You can of course use just one color, or two – or even add a color by changing color for round 2
- If you notice any mistakes in the pattern please let me know so I can correct and repost!

The Spring Flower

Round 1 (A)

Magic circle, ch2 (acts as a dc), work 13dc into the ring, sl st on top of first ch2 (14dc)

Round 2 (A)

*Ch4, fasten with sl st in next dc, sl st in next stitch and rep from * for the whole round, cut yarn and fasten invisibly in first ch

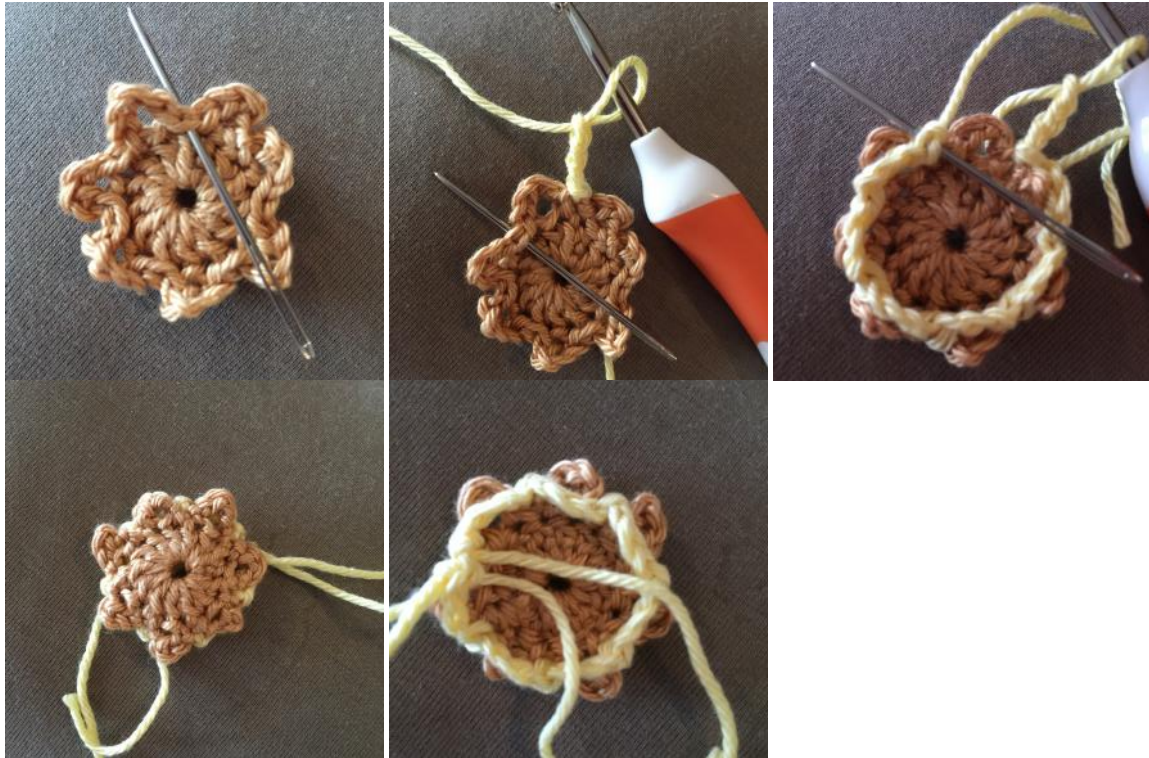

(7 ch4-spaces) pull on magic circle to close the middle, or leave open for different look.

Round 3 (B)

Sl st in any one of the sl st in between the ch spaces (shown below with needle in pics), * ch3, sl st in next sl st rep from * for the whole round, sl st in original sl st (7 ch3-spaces)

Pull the chains to the back of your work as shown in pics

Round 4 (B) –*still working from the right side of your work. The petals in round 4 will be behind the tiny petals created by the ch4-spaces from round 2.*

In every ch3 space: hdc, 4dc, hdc,

Cut yarn and fasten, see in the pics below that I fasten in the first dc (not the hdc) this way the stitch acts like the top of the hdc and becomes invisible and doesn't add to your count.

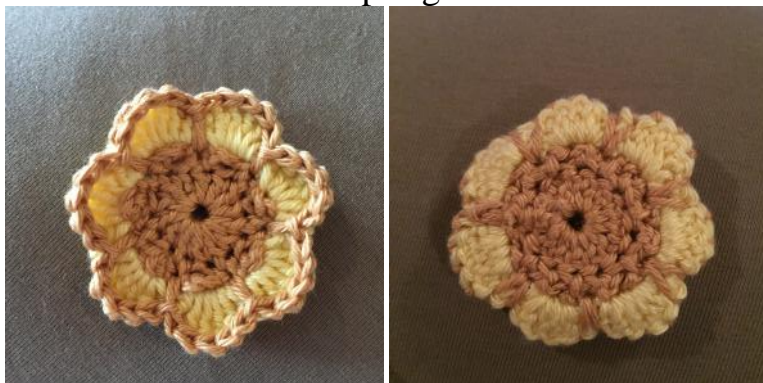

Round 5 (C)

Sl st in between petals (as shown in pics) in round 2 (same sl st as round 3 sl st in), * skip hdc, 5sc, sl st in round 2 repeat from * for the whole round. Cut yarn and fasten

Front and back of The Spring Flower

Finished

*Thank you for crocheting this pattern, I hope you will
enjoy
The Spring Flower*

*Lots of crocheting love from
